The generosity of the Frank and Hazel Larimer Family has allowed Way Public Library to offer an educational service to area classroom teachers. Mrs. Larimer was a former teacher who placed great value upon children, books and reading. Creating lifelong readers is a goal of the entire Larimer Family.

Way Public Library has developed several classroom sets, the Larimer II Collection, each offering eight **large print** copies of a single book title. The titles were selected in cooperation with teachers from Perrysburg Junior and Senior High Schools and by the professional staff at Way Public Library. The books chosen include novels used in the English curriculum at the schools.

Any teacher may use any of the Larimer II classroom sets. The books are housed together in a special bag and are available for check-out for four weeks. They can be renewed for an additional two weeks by telephoning the library. To request a classroom set call Youth Services at 419-874-3135 ext. 116.
